PRESENTS

## Depth of Feeling

- A Digital Presentation

by Terry Ward

Terry Ward has been taking colour pictures since 1976, starting with a small 120 film camera. His presentation 'Depth of Feeling' is an illustrated look at his ideas and journey through photography since 1976.

Tips are provided on how to get close to subjects, ideal for street photography; together with an explanation of experiences in publishing his 'Vista' photobook.
