

3-Way Battle Biggleswade, Kempston & Stevenage

24th March 2025

In the last 9 years we have only won this competition once, last year Kempston pushed us into third place and given our season so far, my expectation was set low. Stevenage duly delivered another handsome win and we pipped Kempston for second place

Stevenage were convincing winners in both print and digital rounds and in both rounds Biggleswade edged out Kempston. Judging was by David Steel who did an excellent job
