

EAF Inter-Club Print Championship 2025

Judges: Roger Reynolds; Rosemary Wilman; Clive Tanner

16th March 2025

Another two clubs bowed out this year leaving just 17, a far cry from the hey days of this championship. Last year we came 15th out of 19 clubs with a total score of 165. This year we were a little worse finishing 16th out of 18 clubs with 151 points. I should add scoring was quite harsh this year, there were very few 15's, 3 compared to 15 last year and lots of 7 & 8's given. Overall scores were lower by 5%. We managed no top scores this year and our best score was for "Devout" by Roger Bradshaw which scored 12 out of 15

This year's winners were Colchester with 181 closely followed by The Beyond Group 180 and PICO 179.

Very similar to the PDI Championship last month we suffered due nothing scoring well. To get in the top 3 you would only need to average 12 per image!

I don't think Biggleswade were helped by the print order and the order of displayed images being out of sync, at first this was mixing up Biggleswade and North Norfolk, once this had been resolved Biggleswade was mixed up with PICO. To help the official scorers club anonymity for Biggleswade went out of the window as each image had the club name announced before the judges scored and in such a way it seemed to all we were guilty of mixing things up.

Biggleswade were represented by: Hugh Spence, Ronnie Lane, Roy & Viv Higgins and myself.
