MY PHOTOGRAPHIC JOURNEY

- A Presentation by Duncan Woodhead

Thursday, 29 January 2026 at 7:30 for 8pm

Duncan Woodhead is an amateur wildlife photographer living in North Bedfordshire. Most of his work is UK based, although he has travelled to many parts of the world in search of wildlife and wild places. His particular interests are UK mammals, Brown Hare, Roe Deer, Fox and Badger, but he also enjoys laying prostrate on a North Norfolk beach in the company of Sanderling and Turnstones, or sat by a burbling stream entertained by a foraging Dipper.

Duncan had a passion for wildlife from his teenage years, but he needed something that would stretch his skill set and abilities, stimulate his mind and provide a platform for constant learning; wildlife photography seemed to fit the bill.

Duncan loves all aspects of the natural world; his greatest pleasure comes from watching, understanding and interpreting an animals behaviour. He always feel privileged

to share personal intimate moments of their lives and he attempts to capture those moments through the lens whilst ensuring the respect for that animal is foremost in his mind.

in The Sullivan Room at The Weatherley Centre,
Eagle Farm Road, Biggleswade SG18 8JH
