**Interested in Photography ? ... Do you have a Camera, maybe a mobile phone with a camera ? .. Want to get the best from it ?**

Come along to our Camera Club for two or three meetings to see if this is what you have been looking for. We meet on Thursday evenings at the Weatherly Centre in Biggleswade during our scheduled season between September to April each year.

We are a friendly club with photography members at all levels: from beginners to ... pretty damn good! Our meetings are varied; we have professional photographer guest speakers that visit us to provide photographic presentations; and we have photo competitions, both within the club and against other camera clubs, all judged by qualified judges. In addition, we have member presentations of various camera and photo software techniques, Studio shoots with professional models, external photography visits to interesting places, online zoom critique meetings and, on top of all this, there is even a bar at the Weatherly Centre.

Come along to our free of charge 'get to know us' meetings. If you decide to join the club at this point in the year, we offer half-price membership fees.

Who knows - you might even buy one of our lovely sweatshirts?
