

### 3-Way Battle Biggleswade, Kempston & Stevenage

12<sup>th</sup> March 2026

For only the second time in 10 years we came out on top winning in both prints and PDI's and quite an emphatic win with 10 points more than Stevenage and 6 top scoring images to 1 for Stevenage and none for Kempston.

This was our year to host and those that came I'm sure had an enjoyable evening with the visitors bringing some good and interesting images. Dave Stewart returned to the club to judge and did a fine job. Unfortunately less than a quarter of our members showed up and there were nearly as many visitors as members.
